

# MY CAREER LIFE STORY

## MY FUTURE HOUSE

THE REST ECO ESTATE: R4,450 MILLION

I have this house and I see my family live in this beautiful house

## The Obstacle

• Shopping discount voucher every

I don't have money to go to the school or college or Varsity

## MY DREAM CAR

The first care when get paid at my work I will take my family out, for happy family

## Where I get more information

I use this laptop to get experience many things; to learn to make things in make or keeping virus

This is me & family

This is my plan, family that I gonna live with

In 5 years to come, I see myself in the University of Johannesburg
