

Topic: My career life story

# My career life story

A guide for Grade 9 learners and Parents

## Responsible Grade 10 subject choices are important

I am able to choose my favourite subjects that would be suitable for my career

THIS IS ME IN THE NEXT 10 YEARS

For the next ten years to come, I want to see myself as a police officer because is my dream, and want to make sure that my village will always be in a safety environment.

I want to buy a house that will be suitable for my family cause I want my children to have a wonderfully home

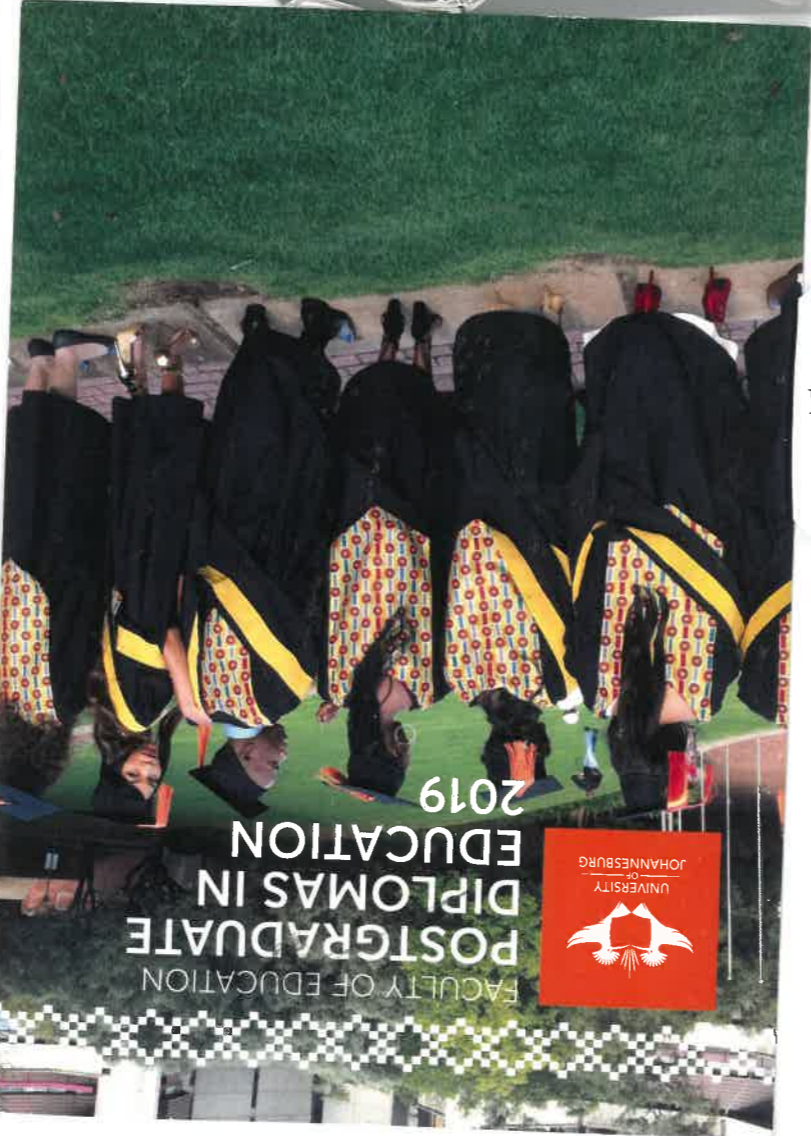

I love playing football because it keeps me healthy all the time and I become a healthy person cause I always go to the gym.

this is me current present life

I want to marry my future wifey cause I want to make my wife happy

My dream car is this car, I always want to have it when I grow up

I want to finish my studies and achieve my goal cause I want to get a degree that will make me a happiest person
