

Topic: My Career Life Story

OBSTACLES CHALLENGES

CURRENT LIFE

5-10 years I want money to choose me

I might get to an accident and get a serious injury and not able to achieve what I wanted

I will lose my income if I get a kid

I will lose my income if I get unplanned child

I might get an accident, and get a serious injury, not able to achieve what I wanted

I may not be able to graduate if I loose focus

I attend family gatherings

I am a good cooker.

I attend family gatherings

I want to build a mansion for my mother, deserves the best, being a single parent is not good at all.

I want to build a strong relationship to my kids.

I want to have my own family and get a man of my dreams
